Chartered Accountants as Business Leaders

ICAI hosted the 13th ICAI Awards & Leadership Summit in its quest to build more brands to support the national goal of building India into a $5 trillion economy. The mega event saw attendance by the who’s who of the industry and was a super success in every sense of the world.

PATH TO PROGRESS

The idea behind organizing the 13th ICAI Awards & Leadership Summit was to recognize and reward the members of the ICAI who demonstrate excellence in their work, whether it be by pioneering new ideas and stakeholder practices with efficient professionals in the field.

Organized by the Institute of Chartered Accountants of India to recognize the need for a new kind of leadership, the awards were presented in a ceremony attended by the members of the profession. The event was focused on showcasing growth in times of crisis, bringing together individuals to work and share – the purely content-oriented top sales leadership and the awards were shared under one roof.

Top sales leadership, top audit, top R&D, top technology, and top social leadership took the stage as the greats of the profession. The awards were celebrated with a cocktail reception where the winners got the chance to interact with different segments of the profession.

The awards were an ode to the profession.

CONSUMER CONNECT INITIATIVE

BRINGING BACK CONFIDENCE

A new initiative was launched by the Institute of Chartered Accountants of India (ICAI) to boost the confidence of consumers. The initiative, called "Consume With Confidence," aims to educate consumers about the importance of accounting and to encourage them to choose professionals who can help them make informed decisions.
